VOLUME 10, ISSUE 7

JULY-2019

IT'S ALL ABOUT JESUS

God is so good all the time (and all the time, GOD IS GOOD!) We are so excited about the work that Jesus continues to do in us, through us and to us at Set Free Church of the High Desert. God continues to move in our midst as we continue to grow as a body. If you are looking for a church home where you feel not only “welcome” but actually loved, look no further! Our service begins at 10 AM with powerful contemporary video praise and worship, life transforming testimonies, live praise and worship with our full praise and worship ensemble and life transforming teaching from the Word of God presented by Professor Mike. Service begins at 10 AM. We also have midweek refresher Bible Studies on Wednesday Night at our God’s Ranch Men’s Campus, 4751 Nyack Road in Phelan. We would love for you to fellowship with us. Plan to attend—for more information please call (760) 868-3805.

of Christ. It also facilitates an opportunity for the men and women in the ranches to spend extra time with the families the Lord has blessed us with. Our Family Day services offer our members an opportunity to receive or witness baptism. In June, three men outwardly demonstrated the inward change Jesus is doing in them publicly professing their faith, receiving baptism. Afterward we all enjoyed a savory potluck. In all it was a blessed time of fellowship in Jesus! Our July Family Day will be on the 21st. Bring your favorite dish. For more information on Family Day please call (760) 868-3805.

JESUS LOVES YOU!

PSALM 1

1 Blessed is the man Who walks not in the counsel of the ungodly, Nor stands in the path of sinners, Nor sits in the seat of the scornful; **2** But his delight is in the law of the Lord, And in His law he meditates day and night. **3** He shall be like a tree Planted by the rivers of water, That brings forth its fruit in its season, Whose leaf also shall not wither; And whatever he does shall prosper.

4 The ungodly are not so, But are like the chaff which the wind drives away. **5** Therefore the ungodly shall not stand in the judgment, Nor sinners in the congregation of the righteous. **6** For the Lord knows the way of the righteous, But the way of the ungodly shall perish.

Every third Sunday, we are privileged to enjoy an extended time of fellowship—Family Day. Family day is an excellent time for us to fellowship together as the body

Word of our Testimony

JAMIE LEE'S TESTIMONY

Hello! My name is Jamie Lee and I am now a thirty year old princess of Christ! I came from a loving family full of chaos but was fortunate enough to have hard working, loving parents. That provided me with nice things and great opportunities. I was the youngest of five kids and always felt pushed to the wayside. I was always different from the friends I had early on. I was often tested for being unique and bullied for being so focused on my studies and called a dork. I felt like I had to be a certain way to fit in. Throughout High School I struggled with eating disorders and battled my self esteem issues. After High School I chose a life of partying fueled by alcohol and drugs. It eventually took over who I really was and what I really cared about. I was masking pain and shame I had held onto because of sexual abuse I had endured as a child. I lost a pregnancy throwing me into a deeper and ever darkening abyss. I fell harder and deeper into a lonely life, pushing away my family and happiness for a bottle. When I thought things couldn't get any worse, I was diagnosed at 27 with cirrhosis of my liver. I was devastated and hurting the ones I loved the most. Barely being able to cope with the pain I was causing, I tried to end my life on a few occasions. By the grace of God and His mercy, I am still here today. (Psalms 139:14) He has opened my eyes and shown me he has big plans for my future and always did. (Jeremiah 29:11) He always did, I just had to let Him into my heart. (John 6:37). He has filled me with hope and love that never seems to end (Psalm 71:5) my relationships have been restored, the shame and guilt erased. (2 Corinthians 5:17) He has taught me how to be a true friend and blessed me

with a beautiful family in Christ. My sisters and brothers (Proverbs 18:24) He has given me a mighty man of God to spend the rest of my life with. (Ephesians 5:@1) And now I am proud to be called a dork for I am a daughter of the righteous king! Thank you to all who have been on this amazing journey with me—it has been a true honor. All glory to God! And shout out to Brother Woody for showing me the world through the eyes of a child and reminding me how to have Child-like faith! (Mark 10:15) Love to you all. God Bless! Keep fighting the good fight all you soldiers and soldierettes! (2 Timothy 2:2-4) *1 Corinthians 15:33

--Jamie Lee

FOSTER'S TESTIMONY

In January of 2017, I learned the Word of God and accepted Jesus Christ as my Lord and Savior with a confession of the mouth. God was definitely working on my heart. But I wasn't. I was sober for three months but still consciously and actively committing sin. I was living what I thought was in the light, but in hindsight I knew the enemy had me in the palm of his hand. So within a short time I was back in the world engaging with the evils of it! Even though I was constantly committing sin and wicked acts against my brothers and sisters. I know now God had his hand on me the whole time. There is no

reason I should be here alive today besides the mercy and grace of God. He does have a perfect plan! I have a son who is almost six years old who is healthy and I still have the amazing opportunity to be a father and a teacher to him which is a gift from our Father. To make a long story somewhat shorter I worshipped a false god—for years the needle was my guide and reason. Eventually I found myself living in hell, anger and fear. Betrayal and war consumed me, but as I walked through this fire, the Holy Spirit gave me visible messages. God made me walk toward the light. I am still in shock and amazement. God has worked in me and shown me what I needed to see so that I could open my heart and let Him in. He let me feel what I needed to feel and fall where I needed to fall And through His grace I landed here at God's Ranch, pulled out of hell on earth and blessed to have the opportunity to learn the word of God with all these brothers, so that I can help save a sinner just like me and through God bring peace and joy and blessings.

To all my family, I try to humble myself and pray for understanding and patience. I am better than no brother here; we are all loved by God! Amen.

— Foster Stanfield
