Jesus loves you! Jesus cares for you. Here at God's Church and God's Ranches we are blessed to continue in the work that Christ has called him to and be a beacon of light in a world full of darkness and an ambassador of Christ's love. Our service are live streamed every week on our facebook pages! Join our live stream every Sunday morning at 10AM for a powerful time of prayer, praise, testimonies and Bible teaching. Services begin at 10AM PDT at [/https://www.facebook.com/godschurchhd](https://www.facebook.com/godschurchhd) . For more information please call 760 868 -3805.

We also have started a new God's Church prayer group on Facebook. As we traverse these difficult times many people are grieving lost loved ones, many are seriously ill even hospitalized, many are suffering, depressed, destitute, or facing other life cri-

ses. . I can count on five hands how many people I know who have COVID-19. God's Church Prayer Group is for any and all participants who have a prayer need or a praise report. Only Prayers, Praise Reports, or words of edification and encouragement are permitted in this group. Participants are asked to pray for all the prayer requests posted. Every one from every church is invited to join the group so that we can stand united as the body of Christ to lift up these needs and to share your prayer request. God's Church prayer group is online at <https://www.facebook.com/groups/godschurchprayergroup> .

Thank you for your continued prayers for us! Please pray for the men and women at our ranches that they continue to find Jesus, and grow closer to the Lord, and that they truly seek Him in their hearts and come to know Him fully.

JESUS LOVES YOU!

# Word of our Testimony

## My Testimony—Michael Thomas

Hi my name is Michael Thomas, I am twenty-eight years old. Long before coming to God's Ranch, I was living my life in darkness. Depression, anger, self pride, and addiction ruled over me. Satan sent his Sprit eating demon Al-Kuhl to consume me, to break my spirit, to hurt the ones that I loved and those who loved me and to ask foolishly. I was selfish and hadn't a care in the world for anything. All I cared about was when I was going to put that bottle to my lips and throw that liquor down my throat, for a false illusion of feeling good, the booze made me feel good and I loved it. I have done a lot of foolish things while intoxicated. By the grace of God I didn't kill myself or anyone else while behind the wheel. God spoke to me and made me realize that I had a problem. I tried on many occasions to fix my own self, but would always fail because I didn't include God, nor put my problems in His hands. I finally asked Jesus for help from my Lord and Savior to save me, yet again. So he brought me to God's Ranch to fix me, to show me the light beyond my darkness, and to get closer to Him and His Word. With Jesus in my life

--Michael Thomas

PS: Al Kuhl is an actual demon.

## Testimony—Nikkolas Bin

I am thirty-five years old. I came to God's Ranch as kind of a last resort. I was living at home with my wife and

three kids. When the Corona virus Pandemic hit I was working at a great job. Consequently I got laid off and went on Unemployment. The extra time at home led me into a downward spiral of drinking which ultimately caused so much chaos and strife among my wife and I wrecked three cars: A Mercedes-Benz, Chevy Sonic, and a Honda CRV. I would try and say it wasn't my fault or that I wasn't even drinking but it was addiction that deserved all the blame. Several months ago I picked up the Bible and actually put the bottle down. I remember how proud my wife was that she actually had the Nick back that she fell in love with. I would mark all the days I've been sober off on the calendar, and she would tell how good I was doing and that I got this.

Several weeks had passed while I was in the Word. Me, my wife, and my kids were praying and actually functioning as a family, the very thing I have wanted all my life. Things were good until the fateful weekend. We went to a family member's cabin in the mountains. There were a number of family members there all of which were drinking. The first day I did well, Bible in hand. Then the devil had me twisted with his grip. I left and got two shots of Vodka all by myself and drank them all by myself. I put my Bible down for one second and the devil attacked. I tried to hide it by my wife just looked at me and asked, why? I had no answer. I just looked at her and stayed quiet, but I was dying inside. I knew where it would lead. It was less than a week later I hit rock bottom. I fell and fell harder than ever before. The reason I am at God's Ranch is because God didn't give up on me. He has a plan for me. He has shown me that I can overcome the chains of addiction, and that I am the father and husband that my family

wants me to be. By His graces and glory I still have my family. All Glory to God.

--Nick Bin

## David's Testimony

Hello my name is David. I have been here at God's Ranch since December 26<sup>th</sup>, 2020. This is not my first time here or in ministry. It seems as though I'll enter into a program do very well, get filled with the Holy Spirit truly, then after I bless out I'll do good but slowly but surely this world and the distraction in it will just crush the Jesus right out of me. Now some say that I may have never accepted Jesus at all and others say you can't lose your salvation. Well I believe in Jesus Christ and I know he has begun a great work in me. So rather than hanging my head low I look up to God and know that Jesus is lord of my life and I chose to be here because it is God's house, and I'll stay here until God opens a door for me that I may continue to do His will and bring others to the Lord that whosoever God puts in my life will also be able to see, hear and feel within their heart that God is good. Thank you Jesus for giving me a place to call home, and although this is only my temporary home, my eternal resting place is with Jesus in heaven.

--David Matthies
