Hello God's Church its Ruben Becerra (overseer) and this months editor. We've had a really good month and challenging month. God has been revealing himself through the hard times here, and giving all of us hope that we will endure through everything. That's what God's Ranch is all about. It's about not telling God how big the storm is, Its telling the storm how big our God is, and excel through any problem, any hardships, or any difficulties that we have. That's how big our God is.

We have a weekly bread give-away on Tuesdays @ 1pm @ new Life Church in Phelan, California, It's a really good time to share blessings with the city of Phelan and a great opportunity to talk to someone about our lord and savior, and express on how Jesus saved us from the darkness that we were living in. And it's a real blessing helping families that are in need. Gods church would like to thank everyone who comes to our Sunday service and comes and fellowship with all of us here. We have a terrific praise and worship team.

Thank you Dave and Deb. Also like to thank Rico for coming down and being our pastor, and encouraging us, and being there through thick and thin, we love you brother. Last but not least we have a evangelizing team that go's out once a month to downtown Victorville, they feed the homeless, clothe them and talk to them about our Lord and Savior. Our evangelizing team is really starting to get recognized out there and the team is really starting to build a relationship with the homeless community in Victorville. That's our duties being in the body of Christ—going out there and spreading the Gospel. You never know who you might impact and lead someone to Christ. Our church family would like to say thank you for anyone who's been helping, donating ,recommending , and praying for us here, we highly appreciate it. If you know anyone who is suffering from drugs, homelessness, or the sinful lifestyle have them give us a call we would love to help those individuals and it would be a blessing leading those people to Christ. If anyone needs any work done go ahead and give us a holler on the number below. God bless you all and may God continue to bless you all. We love you.

Scriptures to Reflect Upon

1 Corinthians 15:58

Therefore, my beloved brethren, be steadfast, immovable, always abounding in the work of the lord, knowing that your labor is not in vain in the lord. (NKJV)

Galatians 3:26-27

For you are all children of God through faith in Christ Jesus And all who have been united with Christ in baptism have put on Christ, like putting on new clothes. (NLT)

1 Thessalonians 5:9-11

For God Chose to save us through our lord Jesus Christ, not to pour out his anger on us. Christ died for us so that , whether we are dead or alive when he returns, we can live with him forever. So encourage each other and build each other up, just as you are already doing. (NLT)

Joshua 1:9

Have I not commanded you? Be strong and of good courage; do not be afraid nor be dismayed, for the lord your God is with you wherever you Go. (NKJV)

Word of our Testimony

Testimony —Mike V

My name is Mike V. I was born and raised in east Los Angeles California, I grew up with my pop's grandma and uncles. I got four kids, I'm married, I'm artistic and before coming to Gods Ranch, I wasn't walking the walk I'm walking now which is the lord Jesus Christ around me. At the age of 23 I started slipping into darkness with out knowing, once my grandma passed away, I started to lose control and myself in the process, Not knowing I was only hurting myself in the process. Not knowing I was hurting myself my family and others who cared about me and being here at Gods ranch I've learned how to pray and put my trust and faith in the lord do to my situations. I've been busted, I've did drugs and all that came to a end and when I started walking with the man above restored myself my family I've hurt and let down in so many ways, being here at Gods ranch I've learned to respect my blessings the lord gives me instead of taking it for granted how I used to do. Being here at Gods Ranch I've learned so much and getting back to myself that my wife fell in love with so I'm thankful for being here, and thankful for what Gods Ranch has done for me and my life Amen.

Testimony—Antonio D

My name is Antonio and I struggle with addiction almost half my life I've been in and out of jail and prison at about the age of 13. I started smoking weed and started gang banging through all this I still managed to go to school and earn

an athletic scholarship in track and field. I was the top 5 best long-distance runners in the state. I was recruited by temple university. Things started changing for me once I got sucked into gang culture, I stopped going to school skipping practice smoking weed every day and this led up to my first arrest at age 15 I've had 2 counts of assault and battery and gang enhancement. I lost everything including my scholarship from there it has been a continuing cycle, I started indulging in using meth that led me to go to prison 3 times and all three times I was under the influence of drugs this is why I'm here at Gods Ranch now because I want to break that cycle and do better for myself, and if I cant do it for me, I cant do it for my kids who need their father, my entire life I've been trying to do it by myself and God kept reminding me that I couldn't do it alone.

Testimony—Ricardo C

Well, were dis I begin I'm 30 years old and for most of my life I've been heavenly involved in gangs and drugs from the time I was 10 years old I've been in a gang. First time I went to jail I was 13 years old I got introduced to crystal meth and that's what I grew up knowing violence, Crime, and terrorism I Guess I made my homies proud, but I Broke my mother's heart. My father left me when I was 5 years old. so he wasn't in the picture only made influence I had when what I thought were homies, but I was brain washed soon to fallow after juvey was YA then graduated to

county jails then I went to the university of state prison I had my first child at 20 and sad to say that it didn't change me or slow me down. I lost the first 5 years of his life to a prison term then I had my baby girl which made me realize a lot that if I didn't change, she would end up with someone just like me and that scarred me. I decided then that I had to change for her at this time I was 25 years old, and I started to make the changes cutting off the streets slowly but still lost to the drugs in 2018 I came to Gods ranch for the first time lost and broken desperate for change for my sake and my children's. I learned and grew a lot as a man and decided I would walk a higher path I graduated the program and changed my way of life I struggled for 3 years rebuilding my life and restoring my relationship with my children and family. I started to work and living life to the potential but with the separation of my wife and covid and all the struggles of life with which we all have been faced with I started using drugs again shortly after I lost my job and home and the love and support of my family again I got a new girlfriend with which I plan on marrying because I love her and she's been truly there for me in my time of need I gathered up the courage and asked for help again and I came to the place that changed my life the first time I've been here I'm proud to say that I'm working on me as a man again with God on my side and my children in my heart and queen beside me I will succeed thank you Gods ranch for you saved my life once again.
