MARCH—2024

IT'S ALL ABOUT JESUS

He is Risen! (Matt 28:8-10)

After the Sabbath, at dawn on the first day of the week, Mary Magdalene and the other Mary went to look at the tomb.

There was a violent earthquake, for an angel of the Lord came down from heaven and, going to the tomb, rolled back the stone and sat on it. His appearance was like lightning, and his clothes were white as snow. The guards were so afraid of him that they shook and became like dead men.

The angel said to the women, "Do not be afraid, for I know that you are looking for Jesus, who was crucified. He is not here; he has risen, just as he said. Come and see the place where he lay. Then go quickly and tell his disciples: 'He has risen from the dead and is going ahead of you into Galilee. There you will see him.' Now I have told you."

So the women hurried away from the tomb, afraid yet filled with joy, and ran to tell his disciples. Suddenly Jesus met them. "Greetings," he said. They came to him, clasped his feet and worshiped him. Then Jesus said to them, "Do not be afraid. Go and tell my brothers to go to Galilee; there they will see me."

Word of our Testimony

Testimony---Mark Rollf

I used to be lost in darkness just like everybody else but thanks to God finding me early enough I was spared a lot of things others had to go through. It hasn't always been an easy ride; it never is but I know thanks to Him I'll be just fine. My hope is others can come to know Him like I have. What a wonderful feeling of love they would be able to have and a peace like no other also. I mean God has blessed me ever since I started following Him. I have been able to get four vehicles. I work at stadiums now. My friends are not so lucky. They are out doing drugs. Some of them didn't make it and I have gone to one of their funerals. It wasn't easy. They asked me to make his drug dealer disappear, but I had to deny them the request being no longer the vengeful person that I was.

Testimony—Chris Shaw

God has blessed me. I Have had the Lord in my heart for a long time or Jesus has been knocking on my door for

years. But until recently I have always gone the other way. The other way resulted in twenty plus years of juries, jails and prisons and I have always worked. My dad put me to work in his shop early on. I was able to cultivate a strong work ethic. God has blessed me with ability. But throughout all those years of work I have been high one way or another. I learned about Jesus at my Dad's Bible Study but kept getting high and going to jail. God heard my prayer of "save me Jesus." Two days later I was here, and I gave my life to Jesus.

Testimony—John S.

Throughout my life I went through a lot as to being dead multiple times. And God has saved me every time. Which the very first time I had nearly died by two individuals that I had to fight off and I ended up killing one of them due to my anger getting the best of me. By stomping the gentleman's head into two bars and continued to stomp him out and finding out he ended up dead two hours later after I had left the scene. Over a phone call. I ended up in prison for about nine years of my life and yes it hurt not only me, but also

my family and most of all my beautiful baby girl that suffered the most. And the other time I almost experienced death was by my motorcycle going at least seventy-five miles per hour down Hesperia Rd. hitting the blacktop at that speed and God kept me alive because He had a plan for me. The other time I had experienced death when two individuals wanted to kill me at gun point and I stood on my own two feet to them both as God allowed me to do so, to speak the truth of not taking anything that didn't belong to me. Because I seen and watched them both walked away from me with the 38 or 32 pistol at hand and of course if it was my time to go, I stood there and expressed to God and to myself I was as ready as I can be. But God did not allow me to die, and I am here still living to tell you these stories due to our Heavenly Father keeping me alive and moving forward to His plans for me. And to be honest, I am looking forward to seeing it all happen,
